

Remember
GDPR
Affects our
reputation!

We know reputations in schools are hard to build but easy to tarnish.

We must treat all personal data with great care, just as you would expect from others with your own information.

Help protect and enhance our reputation by thinking how any data pertaining to our students or staff may be used safely and correctly.

The GDPR (General Data Protection Regulation) aims to ensure that we are all accountable for the personal data used in our school.

If you are not sure about your responsibilities regarding the GDPR and the DPA 2018, then contact your school Data Protection Officer (DPO) or Data Lead asap.

GDPR

In Schools

Here for you.

Remember
GDPR
We are all
responsible

We must take a collective responsibility everyday!

We all access student and staff personal data at some point most days in order to help our school succeed. So we must all be responsible and use this data appropriately.

Personal data relates to any person who can be identified directly or in conjunction with other data. we hold in school

We are all accountable so be data-responsible.

If you are not sure about your responsibilities regarding the GDPR and the DPA 2018, then contact your school Data Protection Officer (DPO) or Data Lead asap.

Remember
GDPR
Demands
your respect

**As a school we must all respect the
GDPR to safeguard our students and to
enhance our reputation.**

We choose how and when to process the personal data within our school. When doing so we must all give it the respect it deserves in order to maintain the trust and respect of our students and their families.

We are all accountable so be data-responsible.

If you are not sure about your responsibilities regarding the GDPR and the DPA 2018, then contact your school Data Protection Officer (DPO) or Data Lead asap.
