

# BUILDING a Reader At HOME

## Explore Books!

Give your child an opportunity to explore books. **Visiting a library or bookstore** gives your child a chance to find topics and books that interest them.

## Read, Read, Read!

Make sure to read for at least **30 minutes per day!** Students can read independently, aloud to an adult, or back and forth with a partner.

## Ask Questions!

- Predictions
- Characters
- Main Idea
- Problem
- Solution
- Retell Story
- Genre
- Moral

## Make it Fun!

**Reading shouldn't be a chore.**

Intentionally read with your child/discuss books but also research topics and do book activities together.

## Be an example!

Children learn by example, so **let your child see you read** whether it be a book, newspaper, cookbook, etc.

## Pick Good Fit Books!

**A book that is a good match for your child** should meet the following requirements:

- Purpose for reading
- Interest
- Can they understand what they are reading?  
Can they retell the story?
- Do they know most of the words?

## For Beginning Readers:

- Point out and read words in natural settings – stores, streets, etc.
  - Memorize sight words
  - Visualize the story in your head
  - Ask questions before, during, and after
- Don't immediately tell an unknown word to your student.** Instead, ask them to:
- Sound out the word
  - Break the word into parts
  - Try a different vowel sound (long/short)
  - Use illustrations for clues
  - Skip the word, re-read sentence, and go back – what word would make sense?

## For Advanced Readers:

- Notice interesting, new vocabulary words, and make it a challenge to use them in conversation
- Read with expression
- Explore non-fiction books and their text features (diagrams, table of content, etc.) along with other genres as well
- Compare and contrast books
- Discuss connections to literature
- Think of new titles for books
- Explore multiple books from the same author
